

How to Obtain a Measurement Certificate

The boat owner must be a current member of a National J/24 Class Association before making application for a Measurement Certificate. Measurement Forms may be obtained from any National Measurer who is recognized by the IJCA, or may be downloaded in PDF format from the class web site (http://www.j24class.org/pdfs/measurement_form.pdf).

1. THE LICENSED BUILDER shall:

- A. Obtain a hull number (consecutive worldwide) from the copyright holder, J Boats, Inc.
- B. Complete Parts B and C of the Measurement Form and deliver one copy with the yacht and one copy to the International J/24 Class Association (IJCA) Office.

2. THE OWNER shall:

- A. Obtain a sail number in accordance with Racing Rules of Sailing. Unless otherwise allotted in writing to the yacht owner by his NJCA, the sail number shall be the hull number.
- B. Complete Part A of the Measurement Form.
- C. Have a National Measurer, recognized by the IJCA, take the measurements in Part D of the Measurement Form.
- D. Complete the Inventory of Required and Optional Equipment, Rule 3.7.3, and carry a copy aboard his/her yacht while racing. (Inventory list need not be delivered to the NJCA or the IJCA).

3. THE NATIONAL MEASURER, after completing the measurements in Part D shall:

- A. Sign and mail the original Part D of the Measurement Form to the International J/24 Class Association (IJCA) Office with a copy of Parts A, B and C, sending one copy to the owner, one copy to the NJCA and retaining one copy for his/her records.
- B. Report on the Measurement Form anything considered to be a departure from the intended nature and design of the yacht in accordance with Rule 2.7.6.

4. THE INTERNATIONAL J/24 CLASS ASSOCIATION (IJCA), upon receipt of completed Parts A, B, C & D from the Recognized Measurer, and upon verification that all current J/24 Class membership requirements have been met, will issue the Measurement Certificate. (Endorsement of the Measurement Form by a member of the IJCA Technical, or designate, shall serve as a temporary Measurement Certificate.)

5. RE-ISSUE OF A MEASUREMENT CERTIFICATE (due to loss, major repairs requiring re-measurement, or replacement of spars or rudder) requires a US\$15 processing fee. The owner shall:

- A. For a lost certificate, mail the processing fee to the IJCA office with his/her class membership information (name, membership number, mailing address, hull and sail numbers), and a new Measurement Certificate may be issued.
- B. For any re-measured item, the owner shall:
 - 1) Complete part A of the Measurement Form
 - 2) Have a National Measurer, recognized by the IJCA, record only the new measurements required on Part D of the Measurement Form.
 - 3) The National Measurer shall mail Parts A and D of the Measurement Form, and your payment of the processing fee to the IJCA office, and a new Measurement Certificate may be issued.

6. CHANGE OF OWNERSHIP shall invalidate the Measurement Certificate and shall require re-registration with the International J/24 Class Association (IJCA) Office, and the issuance of a new Measurement Certificate. To obtain a new Measurement Certificate, the new owner shall:

A. Complete and submit Part A of the Measurement Form to International J/24 Class Association (IJCA) Office, along with a copy of the previous owner's Measurement Certificate, Change of Ownership Declaration (found on page 44 of this Rule Book), and the processing fee of US\$ 15. If alterations have been made, the yacht must be re-measured.
